Multidisciplinary Designer

To whom it may concern,

I'm a Senior Presentation & Graphic designer with 5+ of experience & a Budding UX/UI Designer. I am passionate about creating visually stunning designs that help brands grow. I want to put my creativity to use within an innovative environment that can make a difference.

I'm currently working as a Senior Business Presentation Specialist in McKinsey and Company, The oldest and largest of the "Big Three" management consultancies (MBB), the world's most prestigious strategy consulting firms.

I have a PG Diploma in Advanced Graphic Design & UX/UI and expertise with InDesign, Photoshop, Illustrator, Xd, PPT & Excel, Corel Draw, Affinity Designer and Figma. I, provide accurate, consistent and timely solutions, primarily through High-end Presentation & Graphic designs by Interacting professionally with consultants to understand Business needs and goals. I believe in the power of collaboration, experienced in the end-to-end process & committed in delivering high quality design works.

Please feel free to visit my portfolio given above to view my design works. Feel free to contact me for an interview at any time. Thank you.

Kind regards,

Indhumathi G
